

CP Has Heart Supports CCHA

Great news: As of February 9, CP is lending their support to the CCHA. They have committed a donation to the annual [Beat Retreat](#) camp in Ontario and 2015 CCHA conferences.

Both the camp and conferences provide a forum for patients, survivors, doctors and researchers to further the conversation about living a full and healthy life with CHD.

To read their website announcement please click [HERE](#).

Thank you CP!
