Find it in your heart to give!

The Canadian Congenital Heart Alliance (CCHA) is a volunteer, non-profit, registered charitable organization founded in 2004. We rely on funds donated by individuals and generous companies. Your gift will directly help CCHA deliver on its Mission ... *'To raise awareness for children and adults living with congenital heart disease (CHD); educate, support and connect patients through their life-long CHD journey; and promote CHD research.'*

We're looking forward to a full day of giving... on 'Giving Tuesday' ** ... and through the remainder of this Holiday Season.

And it is simple and secure to give online... it only takes a few heart beats; so in no time at all you'll have helped those in Canada living with a congenital heart defect. Please click [HERE](#) to help children and adults living with CHD live longer, healthier lives!

Thank you...from the bottom of our hearts!

***GivingTuesday is a global day of giving. After Black Friday and Cyber Monday, GivingTuesday is a time to celebrate and encourage activities that support charities and nonprofits. Whether it's making a donation, volunteering time, helping a neighbour or spreading the word, GivingTuesday is a movement for everyone who wants to give something back.*
