

Fontan Virtual Camp 2022

We are excited to announce the 1st Pan-Canadian Virtual Fontan Heart Camp: November 26, 2022: 9 am - 3 pm (MT) with Virtual Heart Connection!

Organized in association with the Pediatric Cardiology team at the Stollery Children's Hospital, Edmonton, AB.

The goal is to connect children who have had a Fontan operation to others similar to them through this FREE, 1-day event via fun activities such as games, arts & crafts, cookie decorating, Fontan testimonies and answering any questions you may have about your heart. You will receive an activity package to do together on the day prior to the camp. Check out this camp promo video <https://youtu.be/pVx5jWLdY3M>
